## MEMORANDUM

TO: Underground Storage Tank Owners and Operators

FROM: Tanya Yazzie, Environmental Specialist  
Navajo Nation Environmental Protection Agency  
Storage Tank Program

DATE: July 9, 2018

**SUBJECT: Storage Tank Compliance Training for Owners & Operators**

The Navajo Nation Environmental Protection Agency – Storage Tank Program will be sponsoring a Storage Tank (ST) Compliance Training for all Owners & Operators on **Tuesday, August 7, 2018**, between the hours of 9:00 am - 4:00 pm. The training will be held at the Navajo Nation Museum located at Highway 264 & Loop Road, Window Rock, AZ. It is highly recommended that all Owners & Operators of storage tank systems attend this training.

The content of the training consists of federal compliance information and how to prepare for a federal UST inspection. More importantly, the training will provide important information on management practices for a safer and healthier environment for community members of Navajo Nation. The course contents include the following:

- UST Tribal Requirements
- UST Federal Requirements
- Reporting and Record Keeping
- Financial Responsibility for Pollution Liability
- UST Operation and Maintenance
- Compliance Issues
- On-Site Walk Through Demonstration

If you have any questions related to this training or want to register for this training, please contact one of our UST personnel:
