TO: Underground Storage Tank Owners & Operators

FROM: Tanya Yazzie, Environmental Specialist
Navajo Nation Environmental Protection Agency
Storage Tank Program

DATE: April 16, 2018

SUBJECT: UST Compliance Training for Owners & Operators

The Navajo Nation Environmental Protection Agency – Underground Storage Tank Program will be sponsoring an Underground Storage Tank (UST) Compliance Training for all Owners & Operators on Tuesday, May 15, 2018 from 9:00 am to 4:00 pm. The training will be held at the Dine College Shiprock Branch – South Campus- Senator John Pinto Library-ITV Classroom in Shiprock, New Mexico. It is highly recommended that all Owners & Operators of UST systems attend this training.

The content of the training consists of federal compliance information and how to prepare for a federal UST inspection. More importantly, the training will provide important information on management practices for a safer and healthier environment for community members of Navajo Nation. The course contents include the following:

- UST Tribal Requirements
- UST Federal Requirements
- Reporting and Record Keeping
- Financial Responsibility
- UST Operation and Maintenance
- Compliance Issues
- On-Site Walk Through Demonstration

If you have any questions related to this training or want to register for the training, please contact one of our UST personnel:
