

Diné Uranium Remediation Advisory Commission Meeting Announcement

The Diné Uranium Remediation Advisory Commission will hold its meeting in the Northern Central Abandoned Uranium Mines (AUM) Region on **Thursday, November 21, 2019, at 10 AM at the Kayenta Township Conference Room, Kayenta Township, 100 N. Highway 163, Kayenta, AZ.** This Commission regular meeting will be open to the public.

The purpose of the Uranium Commission is to study and reach conclusions about the impacts of uranium mining and uranium processing on the Navajo Nation and to make recommendations to the President of the Navajo Nation and to the Navajo Nation Council for policies, laws and regulations to address those impacts.

The Uranium Commission will hold meetings in each of the six AUM regions of the Navajo Nation impacted by uranium mining and uranium processing. Each meeting will be advertised in advance.

For any questions, please contact the Uranium Commission office as follows:
